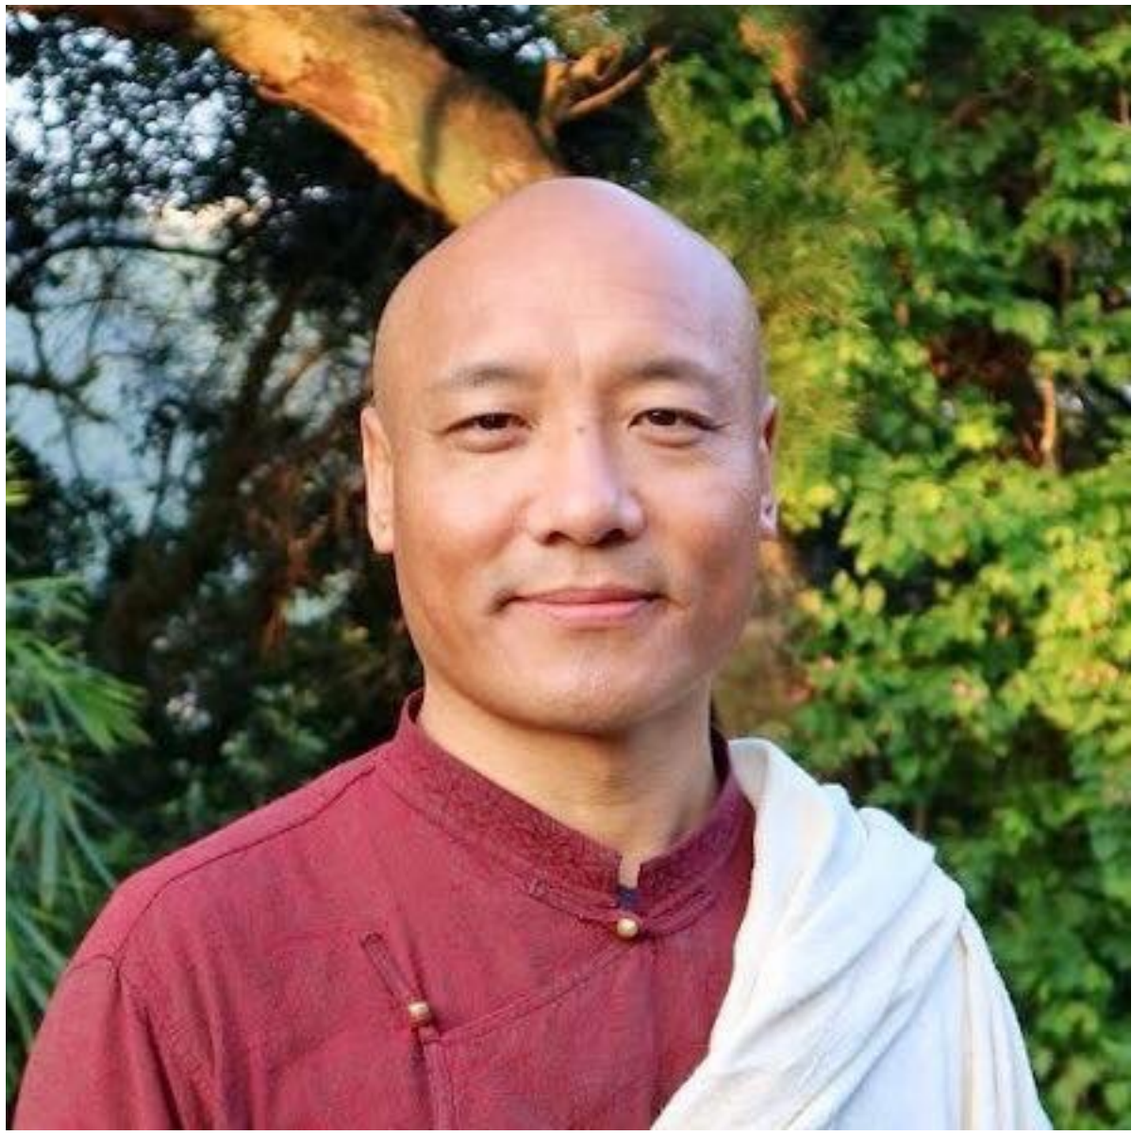
Anam Thubten's Talk
Dream Yoga & Smoke Puja Ceremony

3 Dec 2018 | 7:00 - 9:00 pm

Sin Sin Atelier | 26 Wong Chuk Hang Rd, Unit A, 4/F, Kin Teck Ind. Building, Wong Chuk Hang, Hong Kong

---



We often feel like we don't have any control over our dreams, and tend to go to sleep without preparation. During the day, many of us try to have awareness to check our mind, but at night we retire to sleep without any form of awareness.

There is a more mindful way to go to sleep and work with our dreams. Dream Yoga is an important part of Vajrayana and rich with philosophy and practices that aid in generating positive dream experiences.

Anam Thubten Rinpoche will offer us a dharma talk on Dream Yoga, followed by smoke puja ceremony to purify our negativities.
